Why would she be a good recipient?

Here’s my story of why I’d like a Makeover:

I am ready to have fresh start looking beautiful as my authentic self. I want to up-level my look and continue my makeover being confident. I trust this gift will help me be ready for new opportunities and to forward in my life.

I agree to have before, during and after pictures taken of my process sand give you a testimonial the foundation can use it in marketing to help others in “elevating women in transition”.

I GIVE PERMISSION TO RELEASE ALL PHOTOS, VIDEOS AND TESTIMONIALs as a thank you for experiencing my own image & Style Makeover._
